## 25. 200

The 200-4R is a **transmission** that was manufactured by General Motors for the 1981 model year. It is the lesser known of the two overdrive **transmissions** made by GM in 1980's, and is still considered part of the Turbo-Hydramatic series. The 200-4R is very similar to the 700R4, although there are some differences between the two of them.

## **29. Coronavirus Anxiety A Mindful Guide Mindfulness Exercises**

We can't deny that this virus is contagious, but what we seem to be overlooking is just how infectious fear and anxiety are as well. Known scientifically as social contagion, the spread of emotion from one person to the next has blossomed in a way few of us have seen before. Resulting in panic purchasing, fear of going outside, and hefty debates about proper protocol via social media, none of ...
