Thanks - these are great. But I am just wondering what is the difference between these files? (My car is a UK 2005 Megane II 1.4 ...

8. Renault Clio cylinder numbering Car Mechanics

FCF, you are bang-on there, if I remember correctly from earlier in the week, which is why I checked the ends of the leads for the centre cylinders and pulled the plug out for No.3 (which is the second on the left, by **Renault** convention) to see if there was a clue or two in the soot.It certainly looks like it has tried to fire, but the mixture is rich (but not massively), so my first thought ...
